Other similarities were also noted such as aspect of the property and its position within the plot of land.                      Cllr Goodman considered the proposed dwelling would be preferable to the previous application. It has been designed to be sympathetic to both buildings it will be positioned between.                      Cllr Paybody offered information regarding the background of this application and the intention of the owners to offer the property to the market after its' completion.                      Proposal by Cllr Russell to support the approval of this application, 2<sup>nd</sup> Cllr Mason. All in favour.</p>
